INDEX

VOLUME XLIX, SEPTEMBER, 1955 - MAY, 1956

Listed Under Articles and Authors

A Book-Centered Course Versus a Machine Centered Course in Adult Reading Improvement Lt. Col. Warren Craig Thompson, February 1956, 437-446.

Academic Success of Public and Private School Students in Randolph-Macon Woman's College: I. The Freshman Year, Audrey M. Shuey, March 1956, 481-492.

A Comparative Analysis of Achievement in Three and Five Hour Sections of Freshman English, Donald G. Wallace, March 1956, 505-514.

A Comparison of Certain Aspects of Student Leadership and Non-Leadership: Significant Differences on Four Psychometric Tests, Elizabeth Hartshorn, March 1956, 515-522.

A Comparison of Newspaper Coverage of Topics of School News and the Relative Importance of Those Topics According to Certain Lay and Professional Groups, James J. Jelinek, December 1955, 301-308.

A Comparison of Teachers' and Administrators' Opinions on Personnel Administration Practices, Eugene W. Bowman, November 1955, 229-234.

A Critical Examination of Spelling Words in One Speller in Relation to Four Standardized Tests in Spelling, Helen E. Scott, et al. January 1956, 331-344.

A Factorial Analysis of Certain State School Finance Goals, Axel P. Peterson, et al., April 1956, 581-590.

A Form for Briefing and Evaluating Standardized Tests (1953 Edition), Henry D. Rinsland, April 1956, 629-632.

Age of Learning to Read and its Relation to Sex, Intelligence, and Reading Achievement in the Sixth Grade, Irving H. Anderson, et al., February 1956, 447-454.

Allen, William H., Audio-Visual Communication Research, January 1956, 321-330.

A Measure of Relative Progression of the School Population of the United States: April 1950, Eleanor H. Bernert, et al., December 1955, 251-262.

Analysis of Abilities of Student Groups in Southwest Texas State Teachers College Seeking the Profession of Teaching, David F. Votaw, et al., May 1956, 681-688.

Anderson, Irving H., et al., Age of Learning to Read and its Relation to Sex, Intelligence and Reading Achievement in the Sixth Grade, February 1956, 447-454.

An Evaluation of a Grading System for Physical Education for Women, Helen M. Barton, October 1955, 137-142.

An Experiment in Student-Centered Histology Teaching, M. Lois Calhoun, et al., May 1956, 709-714.

An Experiment in Tabulating Educational Data, J. B. Shannon, et al., January 1956, 379-384.

Application of Learning Theory to Appraisal of Motivation: A Pilot Study, E. I. Sawin, April 1956, 599-606.

A Second Attempt to Predict Teaching Success From Word Fluency, Dorothy M. Knoell, September 1955, 13-26.

A Statistical Analysis of the Relationship Between American Council on Education Psychological Examination Ratings and Grade-Point Averages, Harry Grater, et al., December 1955, 307-310.

A Study of Critical Training Requirements for Teaching Success, Lawrence H. Stewart, May 1956, 651-662.

A Study of Difficulty Levels of Selected Types of Fallacies in Reasoning and Their Relationships to the Factors of Sex, Grade Level, Mental Age, and Scholastic Standing, Elmer H. Miller, October 1955, 123-130.

A Study of Dimensional Orientation as Evidenced Through the Speech of Children in Nursery School, Kindergarten, First and Second Grades, Lura M. Carrithers, April 1956, 625-628.

A Study of the Grading Practices of Thirty-One Instructors in Freshman English, Wayne N. Thompson, September 1955, 65-68.

A Study of the Growth to be Expected of Retarded Readers, George J. Mouly, et al., February 1956, 461-466.

A Study of the Relationship Between the Valued-Behaviors of Selected Teachers and the Learning Experiences Provided in their Classrooms, Ruth A. Willard, September 1955, 45-52.

A Study of the Student Drop-Out Problem at Indiana University, Charles L. Koelsche, January 1956, 357-364.

A Teacher Prognosis for the MMPI, J. C. Gowan, et al., September 1956, 1-12.

Audio-Visual Communication Research, William H. Allen, January 1956, 321-330.

Barton, Helen M., An Evaluation of a Grading System for Physical Education for Women, October 1955, 137-142.

Beaty, Edgar, Relationship of Factors in the Professional Background of Supervising Teachers with Student Teacher Evaluations, May 1956, 689-696.

Bendig, A. W., et al., Concomitants of Achievement Test Frustration in College Students, January 1956, 365-372.

Bernert, Eleanor H., et al., A Measure of Relative Progression of the School Population of the United States: April 1950, December 1955, 251-262.

Bernstein, Margery R., Relationship Between Interest and Reading Comprehension, December 1955, 283-288.

Bloomer, Richard H., Word Length and Complexity

Variables in Spelling Difficulty, March 1956 531-536.
Bond, Guy L., et al., Interrelationship of the SRA Primary Mental Abilities, Other Mental Characteristics, and Reading Ability, October 1955, 131-136.
Borg, Walter R., The Effect of Personality and Contact Upon a Personality Stereotype, December 1955, 289-294.
Bowman, Eugene W., A Comparison of Teachers' and Administrators' Opinions on Personnel Administration Practices, November 1955, 229-234.
Bucher, Caleb W., Community Activities of Elementary School Principals of Pennsylvania, September 1955, 37-44.

Calhoun, M. Lois, et al., An Experiment in Student Centered Histology Teaching, May 1956, 709-714.
